Projects

Our Experience

Switch Media's SDT has been instrumental in automating many of the formerly manual processes within the Kenya Red Cross group. The team has also come up with revolutionary quick solutions to challenges.

This can be attributed to the general objectivity in its creation. The members are extremely experienced having joined from diverse industries; Banking and Finance, Media, Humanitarian,

The Team has the capability to meet the requirements of the assignment based on our broad experience. Below, we summarize our relevant experience on assignments since its inception late last year.
